Ron,  
Please see John Parkers comments at the end of the string of emails...He says this is an extensive request...I think I sent the request on the 3rd...do you think they have something they are hiding and are trying to string me out? A bit suspicious of that comment...

Mr. Harrison,

Per Mr. Darrell Best:

Attached is a list of Department Directors and the Organizational Chart at the time the New Board of Directors took office in May. This was also included in the Board Orientation binder received by all Board of Directors.  
Also included is the current list of Department Directors and Organizational Chart, which may include minor changes.

this is an extensive request. I am not sure how long it might take me to fulfill it myself.  
I am not in the position to hire someone to do it for me at this time.  
I plan to start with the emails from both requests at the same time ill send each one twice.  
Thanks  
John Parker
